

Requirements for the theses design

The volume of theses: 1-2 pages.

Font size: 12 font - Times New Roman, 1.5 line spacing, A4 format, 2.5 cm margins. Do not separate paragraphs with spaces, just press Enter. The first line indent in a paragraph is 1.25 cm.

DO NOT number pages.

Internal (intermediate) headers - do not separate with spaces.

The chapters titles and internal (intermediate) headers should be written in lower case letters.

Names should be written in full form.

Do not underline the titles for the purpose of selection in the text.

Photos, illustrations, symbols: a link of the photo should be in the text..

Tables: a link of the table should be in the text.

The text of the theses should be constructed as follows:

The title of the article - in capital letters, semi-bold, formatted on center. Dots at the end of headers are not allowed. First, in Ukrainian (Russian or other) and English - short, accurate, which gives clear information about the content of the article (up to 10 words).

Initials and surnames of the author (s) - on the next line after the title of the article: italics, formatting on center.

The name of the organization, E-mail - on the next line after the initials and the names of the authors: in lower case letters, formatted on center.

The data about the scientific adviser (if the author is a student / graduate student) is on the next line after the name of the organization: italics, formatting on center.

Abstract in Ukrainian (Russian or other) language. Clearly define the purpose and methods of research, its brief description, results and conclusions. The volume is 100–150 words, i.e. approximately 5–10 lines (Word - Tools - Service - Statistics). The title of the article is not repeated, facts of common knowledge are not given.

Keywords in Ukrainian (Russian or another) language - no more than 5 words, from more general to more specific, should be separated from each other with a dash.

Abstract in English. The same rules apply as for abstract in Ukrainian (Russian).

Key words - key words in English. The same rules apply here as for key words in Ukrainian (Russian) language.

The text of the article - through the interval after the key words in English: formatting width.

Materials must be prepared in a text editor Microsoft Word for Windows (version before 2007 inclusive).

List of References - an interval after the text of the article. References - font 10. References to literary sources - inline, for example: [2] or [4, p.3]. References should include no more than 5 sources. Please do not set auto-numbering. See an example of literature list design.

The author is responsible for the accuracy of the information contained in the theses, as well as for their grammatical and stylistic design.

The Editorial Board reserves the right to edit materials. Theses designed not according to the specified requirements, will not be published in the collection; however, the money paid for the registration fee will not be refunded.
